

WASHABLE PREVENTIVE MASK

Helping to create safer, cleaner and healthier workplaces

WASHABLE PREVENTIVE MASKS

- Non-medical grade
- Reusable and launderable
- 3-layer fabric mask with elastic ear loop
 - Outer layer: 100% polyester
 - Lining: Non-woven
 - Inner layer: 100% cotton
- Home launder up to 75 washes
- Three masks per person is recommended
 - One wearing, one ready to use, one in the laundry
- Available in black, white, red, navy

BENEFITS

- Avoid costly disposable mask programs
- Implement as an extension of your employees' uniform
- Does not compete with medical grade masks dedicated to healthcare professionals
- Helps prevent touching nose and mouth when worn properly
